Sandburg Wins Again!

For the second season in a row the Eagles of Sandburg shutout the Lincoln-Way High School football team in a Southwest Suburban conference game.

The score last Saturday was 47 to 0 with Mike Navarro accounting for three of the seven touchdowns. Navarro has made a lot of points for Sandburg and unless some mastermind comes up with a way to stop him -- using legal means -- he is apt to keep right on making them.

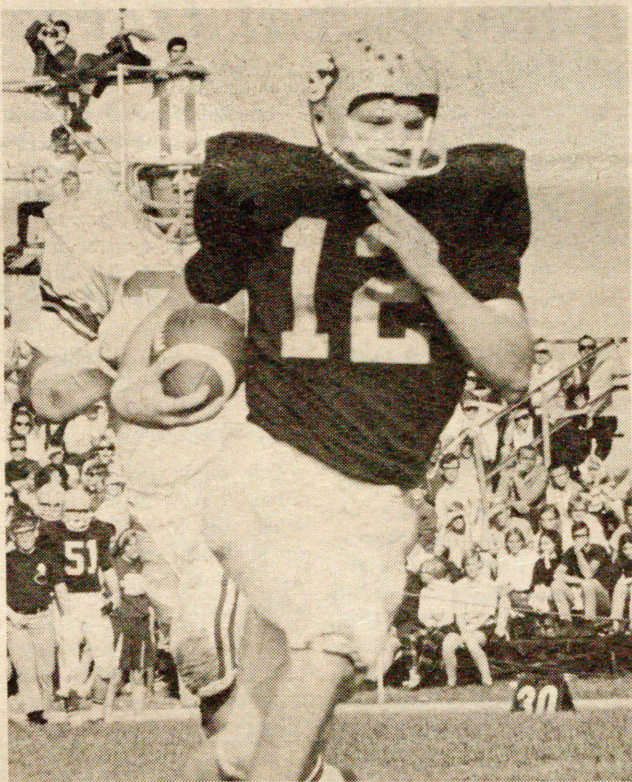

Bob Wrener, the quarterback, accounted for two touchdowns and Smith and Donnelly one each. Tom Devine counted four points thru kicks after touchdowns and Harold McGhee made one in that fashion.

The Eagles Coach, Joe Devine, put in his reserve troops in action with six minutes remaining in the ballgame and the reserves scored on a 31-yard pass from Bob Borg to his split end, Tom Smith. That was when McGhee kicked the extra point.

Lincoln-Way tried valiantly but couldn't break thru the Sandburg defense when it could have put the Knights on the scoreboard. Harold Webb performed yeoman service for the Knights on defense. In the closing minutes of the second quarter Lincoln-Way recovered a fumble on the visitors' 16-yard line. Martin advanced the ball to the seven in two plays. Webb then got to the three but the half ended at that point.

Webb also intercepted one of Wrener's passes and carried it 79 yards but the Eagles dug in and halted the Lincoln-Way drive.

The 6-1, 200-pound Navarro gained 200 yards in 20 carries, a very fine average in any company. Quarterback Wrener was also quite a ground gainer. He netted 119 yards in the course of his afternoon's work.

NOT THIS TIME - Bob Wrener (No. 12) scored two touchdowns for Sandburg Saturday but this time he didn't get away. That Lincoln-Way man coming up behind, Von Karkos, brought him down.

(Bob Best photo)

Sandburg wasted little time getting on the scoreboard. The first time it gained possession of the ball on its own 25, Navarro slashed for 11. Tim Donnelly added another 15 yards and then Wrener, faking a handoff, went around right end and kept right on going for 49 yards and a touchdown.

Lincoln-Way could not make sufficient yardage and had to kick. Between loss of yards thru penalties and gains by Navarro, the latter finally won the decision and scored.

Donnelly scored in the second quarter on an 8-yard run and in the third period Navarro broke thru the line and went 55 yards to score and before the quarter ended he had scored again. Wrener scored his second touchdown on a two-yard plunge in the third frame.

4,000 New Voters Sign In Will Co.

According to County Clerk Clara Hartley Woodard there were approximately 7,000 new registrations and transfers taken during the last days that voters could register for voting.

As of Aug. 1, 1968 Mrs. Woodard had 109,490 registered voters in Will County. With the approximately 4,000 new registrants, and 3,000 transfers of addresses, this would bring the total up to almost 114,000 people who are eligible to vote in Will County for the Nov. 5, 1968 General Election.

Sponsor Halloween Parade For Kids

The Mokena Volunteer Fire Department will again sponsor the Halloween parade for pre-schoolers and youngsters in grades one thru eight.

The parade is scheduled for Halloween, Oct. 31, but it will follow a schedule different than in previous years.

The change is necessary because of the work underway in the rebuilding of Front St., between Division and Schoolhouse Rd. Instead of forming on the Carpenter Street School grounds, as has been the custom, and then proceeding to the Fire House for treats and the distribution of prizes, the parade

this year will form on the post office parking lot, move north on Front St. to Division and thence north to the Carpenter Street School.

The judging of costumes will be done on the school where the youngsters also will be served treats by members of the Firemen's Women's Auxiliary.

If good weather prevails the treats will be served on the school grounds but if it be inclement then the party will move inside the school, it was said.

The parade is to start promptly at 6:30 o'clock, according to those in charge.

Board To Open School Bids Oct. 24

Bids on the new school to be built near the Willowcrest School will be opened by the Mokena board of education at 7:30 p.m. next Thursday (Oct. 24). The meeting of the board will be held in Carpenter Street School.

Construction is to begin, according to a board spokesman, by Nov. 15.

At its last meeting the board voted to name the new school, the Willowcrest Primary School, as it will eventually house kindergarten children and pupils of the first three grades. While the new building will be located within 300 feet of Willowcrest School, it will have a complete separate identity.

The \$250,000 bond issue has been sold and \$198,000 was immediately invested in U.S. Treasury Bills. The money will be kept invested until construction bills come due. The first interest realized will total \$2,289.98, the board was informed. It is the hope of that body that the interest earned from this investment program will be sufficient to equip most of the new building.

It was reported at the meeting that Howard W. Voss Associates, Inc., consultants for the bond sale, had helped the Mokena school district to attain an "A" rating from Moody's. It was said that the Mokena district may be the smallest ever to receive an "A" rating and that this may have saved from \$9,000 to \$12,000 in interest costs.

The board sold its bonds with an interest rate of 4.2 per cent, which is considered a very good price. The district is approximately 1 per cent over the interest it is paying thru investment in the treasury bills.

Frankfort Firm To Show Products At Convention

The Standard Industrial Compounds Co., subsidiary of Diamond Shamrock Corp., of Frankfort, will sponsor an exhibit at the 38th annual national convention of The Wire Association in Washington D.C. Oct. 20-24, it was announced by convention committee representatives this week.

The company will display a complete line of wire drawing compounds for fer-

rous and nonferrous wire and associated products.

The company's exhibit will be one of over 100 displays to be erected in the Exhibit Hall of the Shoreham Hotel, convention headquarters. More than 2,000 wire manufacturers and suppliers to the wire industry, their wives and guests from throughout the nation and from many foreign countries will attend the convention.

DON NEPOTE, executive vice president of the Lincoln-Way Savings and Loan and director of its affairs since its beginning in February, 1962, has accepted an additional task. He has been nominated for a directorship in the Federal Home Loan Bank of Chicago, as representative of members of the savings and loan industry in Illinois. Mr. Nepote, of course, will continue to serve as executive vice president of the Lincoln-Way Savings and Loan, the assets of which have grown to more than \$7,300,000 under his guidance.

Burros football teams played three different organizations this week, coming out on top in each game.

The Pee Wees beat league leading Glenside 13-6. The light weights beat Maryville home from Des Plaines 6-0. And the heavies continued their domination of the George Halas league with a 13-0 win over Oak Park.

This week the Burros two heavy teams go to Melrose Park for a big series. The Pee Wees are at home, Sunday, at 3:30 p.m.

The Evening Belles Home Extension Unit held their meeting at the home of unit chairman, Mrs. Jan Mosner, with Mrs. Paulette McGuire serving as co-hostess.

The major lesson, "Care of Today's Fabrics", was given by Mrs. Paulette McGuire and Mrs. Donna Schiek.

A collection of pennies for friendship was gathered as a source of income for the Associated Country Women of the World. Refreshments were served.

Chest Drive On This Weekend At Orland Pk.

The Orland Township Community Chest will conduct its residential drive this Saturday and Sunday.

Jon R. Anderson, Orland Village Clerk, is campaign chairman and Robert Bate-man is vice-chairman in charge of the residential drive. There are approximately 100 volunteer solicitors who will make door-to-door visits calling on those who have not contributed through payroll deductions at their place of employ-

ment. Your contribution works in YOUR community. Eight human care agencies receive support from the Chest, one additional agency having been added this year.

All seven agencies receiving support during the current year report an increase in activities and numbers participating. The Orland Youth Association now has a membership of 510 boys and girls between the ages of 7 and 16; Family Counseling Service has provided counseling for 76 families in Orland Township involving 359 persons; Suburban Homemaker Service has provided 48½ days of assistance to 6 families including 11 children; the YMCA has opened a coffee house for teens called "The Exit" and has a membership of 560 youths 45% coming from Orland; Orland Township currently has 10 4-H Clubs with 19 leaders and 150 members, 60 boys and 90 girls including 26 junior

leaders; Boy Scouts have 5 packs involving 218 boys; Girl Scouts have 92 Brownies, 122 Juniors and 60 Cadets and a new group being formed and there is still a waiting list.

Handy Camp, the new agency receiving support, is a camp for handicapped children. Camps are located in Park Forest, Hazel Crest and Harvey. Two children from Orland have attended this camp and it is felt that

there is a need for a camp in the Orland area. Now distance and transportation are a problem.

Other Vice-Chairmen of their particular divisions are Robert Johnson in charge of Advanced Gifts, Industrial and Commercial contributions and James Callahan, Schools and other Public Employees.

Give your fair share to support these very worthwhile human care agencies.

Nicholas Seamon, 60, Grocer, Dies

Nicholas J. Seamon, 7800 Lincoln Highway, Lincoln Estates, a grocer there for the past eight years, died suddenly at his home in the early hours of Sunday (Oct. 13.)

Mr. Seamon had not been under a doctor's care, it was said. His illness was sudden.

A native of Piz, Poland, where he was born Oct. 3, 1908, he had been a resident of the area for the past 14 years. Before coming to this locality he had operated a grocery store in Wisconsin.

His business in Lincoln Estates, at 78th and U.S. 30, is known as Seamon's Food Store.

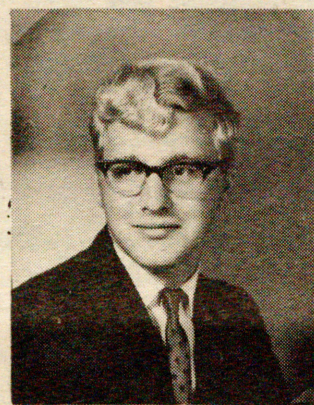

Mr. Seamon was a member of the Catholic Knights of St. George.

Besides his wife, Helen, he is survived by two daugh-

ters, Mrs. Evelyn Schefedore, of Steger; Mrs. Carol Dispensa, of Conquer, Calif.; one son, Robert, of Frankfort; two sisters, Mrs. Anna Styger and Mrs. Olga Krenn, both of Chicago; also 10 grandchildren.

The body was taken to the Frankfort Community Hospital and from there it was brought to St. Anthony Church for a requiem mass Wednesday morning at 10 o'clock.

Interment was in Calvary Cemetery, Steger.

JOEL HAMILTON, son of Dr. Gene and Dr. Eleanor Hamilton, Mokena, has graduated from Career Academy, Chicago, where he completed the training program for radio-television broadcasting.

Frankfort Community Grade School Band Boosters are selling sweatshirts to all children. These sweatshirts are the school colors, maroon with gold emblems.

THRILLSTERS ON the Trampoline is one billing given the Kelroys who will appear in the Mokena PTA's third presentation of Borger Bros. circus tomorrow in the Willowcrest School gymnasium. There will be two performances, 4 and 8 p.m. A highlight of the Kelroys acrobatics is a leap from the trampoline to a trapeze, catching the trapeze by their toes. Willowcrest School is on Willowcrest Lane, west of Wolf Rd.

Bill Adams Retires As Cage Coach At Sandburg

Coach Bill Adams is retiring from his post as head basketball coach at Carl Sandburg High School. Sandburg principal, Dr. G.W. Davidson, announced Monday that sophomore basketball coach John Wilson will take over the varsity post this season on an "interim basis."

Adams has coached at Carl Sandburg and the old Orland Park High School for 18 years. He will continue as chairman of the physical education and drivers' education department.

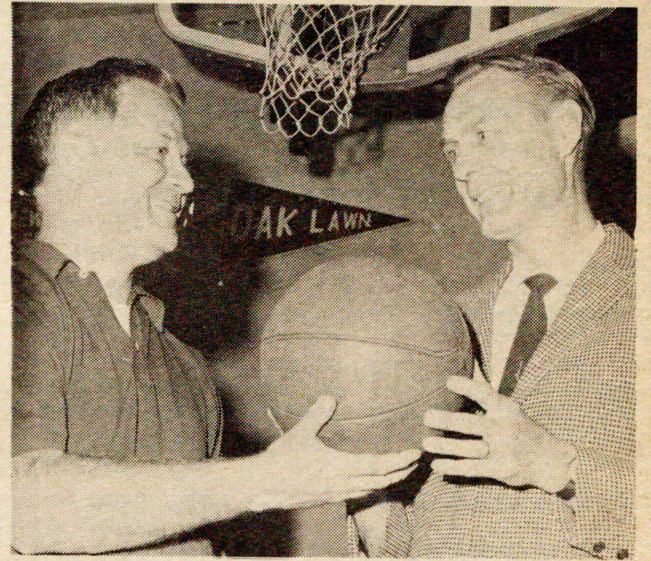

"It's with real regret that we accept Mr. Adams' retirement," Dr. Davidson said. "I know he's highly respected by his fellow coaches, the boys who have played for him thru the years, the officials, and fans," Davidson added.

"A factor in his decision," Davidson said, "is that Mr. Adams wants to devote more time to his family and to his department chairmanship duties."

Adams agreed and also mentioned as a factor the school board's decision last spring to eliminate a junior varsity basketball coaching position and the JV schedule as an economy move. The board's policy that beginning in 1970-71, a department chairman may not also head a major extra curricular activity, was also a factor that sped his retirement announcement, Adams said.

Adams is originally from Benton, Ky., and after Navy service from 1944-46, graduated from Murray State in 1950. After a year of coaching all sports in Bragg, Mo., he came to Orland Park High School in 1951-52 as physical education teacher and assistant coach in football and basketball.

Carl Sandburg High

COACH BILL ADAMS, Carl Sandburg High School varsity basketball coach for the past ten years, gives the ball to John Wilson (right) who will serve as interim coach this winter. Adams will continue to head the Physical Education and Drivers' Education Departments at Sandburg.

School opened in 1953-54 and Adams was an assistant basketball and football coach, and varsity track coach, in 1954-55. He became the Eagles' varsity basketball coach, as well as handling the other assistant coaching jobs, PE and driver's education, in 1958-59, when the Eagles had a 11-10 record.

In 1959-60, the Eagles rolled to a 22-5 record; were champs of the Southwest Suburban Conference; won the regional, and placed second in the sectional. Dick Barry, now a coach at Stagg High School; Ron Lindgren, Jerry McBride, Don Arnold, and Paul Busch, were starters.

The next year the Eagles were 14-10 but another great team was building and in 1961-62 the Eagles were 20-5, and conference champs. The first five all played college ball later on: Dick Hlavek, Dick Carlson, Jim Lavine, John DeVorsney, and all starter Lance Roberts.

Adams' 62-63 team, paced by Jamie Roberts, won 13, lost 12. Roberts and Bruce Hyink were back to help the Eagles to a 14-10 mark in 1963-64. In 1964-65, the Eagles were 19-7 behind Drew Corley, now playing at Louisiana State; Marv Blummer, at Bloom JC; and Bruce Hyink, University of Colorado.

Corley led the 1965-66 team to a 12-12 mark and the 1966-67 team was 2-18. The Eagles bounced back last season and were 12-10 with Chuck Jaeger

making second team all conference and Kurt Pnizek, Jim Gorney, and Brian Taber all key starters. Over his ten-year tenure at Sandburg, Adams coached 14 players who won all-conference or higher recognition; had two championships and one regional championship.

Wilson has been at Sandburg for ten years and is a graduate of Eastern Illinois University. He's a U.S. History teacher and is varsity cross country coach as well as soph coach for the past several seasons. He played with the Orland Park Merchants, an outstanding amateur basketball team, last winter.

Wilson will have a challenging schedule and good material to meet it with this season. The Eagles play non-conference foes Proviso West, Eisenhower, and Lockport West, as well as participating in the Sycamore Thanksgiving Tourney and the Kankakee Holiday Tourney.

John McBride, all conference as a soph, is back at 6-2½ for his senior season. John Sloan, a 6-7½ senior, is another letterman expected to help the Eagles. Ron Richards, Steve Horvath, and Tom Smith are all candidates who are six-footers or more.

The Eagles' first game is at Proviso West, Nov. 27. With Wilson moving up from the sophomore post, newcomer Paul Balcom is expected to take the sophomore coaching position and Dick Conrad the freshmen.

Mrs. Kiedaisch, 42, Mokena Resident, Dies

Mrs. Dolores Kiedaisch, 42, Frances Rd., Mokena, died Sunday, Oct. 13, at Silver Cross Hospital, following a long illness.

Born in Chicago, April 21, 1926, she had been a resident of Mokena for the past 15 years. Her father, the late James Smetana, was a former chief of police at Mokena.

Surviving Mrs. Kiedaisch are her husband, Charles, two sons, Robert J. and John

A., Mokena; her mother, Ella, and stepfather, Frank Krbec, of Cicero, and a brother, Glenn J. Smetana, of Lebanon, Ore.

Funeral services were conducted yesterday, Oct. 16, at the Hirsch Memorial Chapel in Tinley Park, with the Rev. Laslo Hunyady, pastor of St. John's United Church of Christ, officiating. Interment was in Chapel Hill Gardens West, Elmhurst, Ill.

Couple Celebrates 50th Anniversary

By Virginia Sass
Telephone 485-6424

Mr. and Mrs. Christ Bertelsen celebrated their Golden Wedding anniversary at a dinner party Oct. 6 at the Blue Willow in Lockport. About 50 guests were present. Hosts were the honored guests daughter and sons and their families: Mr. and Mrs. Melvin Kropp and children Shaun and Elizabeth of Mokena; Mr. and Mrs. John Bertelsen and daughter Denise of Woodstock and Mr. and Mrs. Leonard Bertelsen of Lockport. They have another granddaughter, Miss Sherie Bertelsen at Ellensburg, Washington.

Mr. and Mrs. Bertelsen were married in Chicago on October 2, 1918. They have resided in Midlothian, Mokena, New Lenox and for the past 30 years, in Homer Township.

Airman John Hasibar is home on a 30-day furlough from Malmstrom Air Force Base in Montana. His next assignment will be in Thailand.

The Twelve Trumps met Tuesday night at the home of Mrs. Royal Corp. Prizes were awarded to Mrs. John Hasibar, Mrs. Charles Ingram and Mrs. Charles Eliott.

The sixth annual reunion of the descendents of James Gager Frazer was held at the Homer Town Hall Sunday October 6. In addition to local people, those present were from Minooka, Morris,

Frankfort, Manhattan, and Joliet.

Letters were read from relatives in California, Pittsburg and Washington, D.C.

James Frazer told of the results of research into the family history during the past year. It is now definitely known that the original Frazer of the family was a Colen Frazer who came to Massachusetts in 1685. He married three times and the James Gager branch of the family all descended from his third wife, a Sarah Wentworth. While he originally settled in Rowley, Mass. he and Sarah lived in Norwich, Conn. They were parents of William Frazer, grandfather of James Gager.

Mr. Frazer also, told of attempts to find long lost relatives in California, Iowa and Chicago. He told of the pleasure he had in a reunion with the family of Wilbert Frazer, grandson of Andrew Frazer, youngest child of James Gager, in their hometown of Corunna, Michigan. Painsstaking search during the past year has revealed their existence. Previously unknown, and has resulted in their reunion with long lost relatives.

Elected to office for next year's reunion were James Frazer, president; Georgianna Otto and Doris Huising, co-vice-presidents; Gladys Jensen, secretary-treasurer; and Dorothy Francis and Gladys Jensen, historians.

The bride is the daughter of Mr. and Mrs. Paul Arthur Lambrecht, 36 Pacific St., Frankfort, while Mr. Stelter, is the son of Mr. and Mrs. Paul J. Stelter, 3411 48th Place, Des Moines, Ia.

The double ring service was read by the Rev LaVerne Smith at 4:00 p.m. Aug. 18. Wedding selections were sung by Mrs. Dennis Pfeifer, who was accompanied on the organ by Harry Smith.

Escorted up the aisle by her father, the bride wore a toe-touching, short sleeved, English net cage gown appliqued with heavy embroidered venice lace in a daisy motif covering the top of the gown and sprinkled thruout the dress and on matching cathedral length mantilla veil.

Preceding the bride up the aisle was Miss Becky Alexander, Omaha, Neb., maid of honor. She wore a toe-touching white silk organza cage dress. The skirt bordered with yellow linen and an area of schiffie embroidery in shades of yellow & soft green. A white floor length veil caught with fresh lemon leaves at the head.

Identically gowned with the main of honor were the bridesmaids, Miss Susan Stelter, grooms sister, of Des Moines, Ia., Miss Carolyn Long, Joliet, Miss Judy Lewison, New Lenox, Miss Kim Bernhardt, Lake Forest, Ill. who carried an over-flow of semi-crescent of ivy, centered with majestic daisies.

Steven Stelter served as best man for his brother and ushers were, Robert Shields, Houston, Tex., Thomas Lambrecht, bride's

MRS. LARRY P. STELTER

brother, Robert Lindeen, Sycamore, Ill., David Proctor, Des Moines, Thomas Buxton, Webster City, Ia.

Flower girl was Susan Gardiner the bride's cousin, of Homewood, who wore a dress identical to the bridesmaids and carried basket of petals of yellow roses. The ring bearer was David Pyles, the bride's cousin of Homewood.

After the ceremony there was a reception at Al's Steak House, Jefferson St., Joliet.

For her daughter's wedding Mrs. Lambrecht, wore an A-line silk dress in a pastel green fashioned with white elbow length sleeves of white English net over organza and trimmed with heavy lace embroidery in a

daisy motif on the sleeves and along the neckline. She wore a soft green veil with matching white daisy motifs. Green shoes and bag matched her dress, with white pompoms on her purse.

The bridegroom's mother wore a pale salmon A-line silk dress with Nehru neckline and jeweled buttons. She wore a veil trimmed with matching bow effect, matching shoes and bag. And daisy pompoms pinned to her bag.

The newlyweds took a two week honeymoon to Colorado and are now residing at 1100 Arthur St., Iowa City, Ia.

The bride is a graduate of Lincoln-Way High School and now is a junior at the University of Iowa. The bridegroom is in his senior year there.

St. Jude Is Scene of Grund - Opp Nuptials

Arrangements of white gladioli and gold mums decorated the altar of St. Jude Catholic Church, for the wedding ceremony between Sharon Ann Grund and Vernon D. Opp.

The bride is the daughter of Mr. and Mrs. Norman L. Grund, 143 Oak street, New Lenox, while Mr. Opp is the son of Mr. and Mrs. Vernon L. Opp, of South Holland, Ill.

The double ring service was ready by Fr. Andre Schludecker at 3 p.m., June 15th.

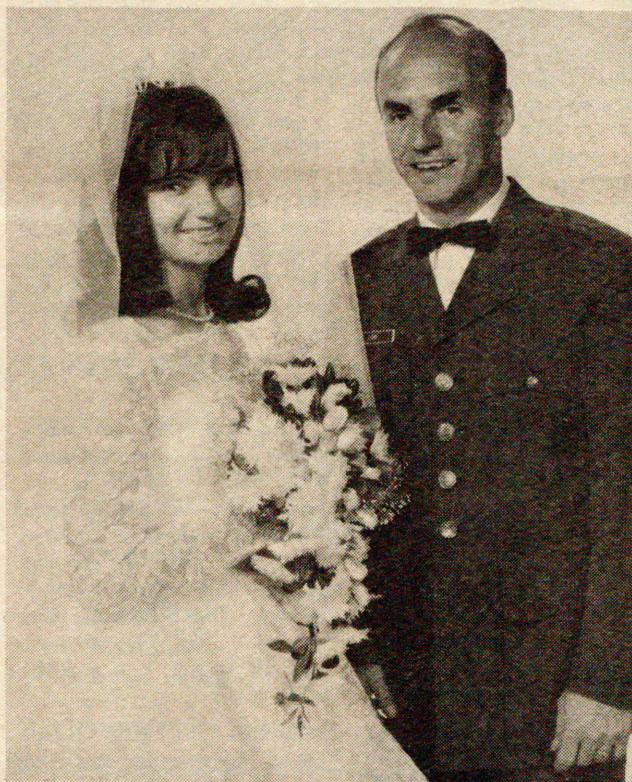

Wedding selections were sung by Mrs. Elaine Griffin, who also presided at the organ.

Escorted up the aisle by her father, the bride wore a toe touching gown of white Chantilly lace, featuring a shallow squared neckline, long tapering sleeves, fitted basque bodice and bouffant tiered skirt flowing into a chapel train. Pearls and iridescent trimmed the bodice and gown. Her Polanaise styled veil of imported silk illusion was held by a queens crown of pearl and cut crystal. She wore a single strand of pearls, a gift of the bridegroom and carried a cascade of white rosebuds and starburst mums.

Preceding the bride up the aisle was Miss Mary Gorski of Lemont, maid of honor. She wore a cage gown of apricot chiffon, possessing a portrait neckline, short puff sleeves and crescent contoured bodice, accentuated by color cued buds and moss green ivy leaves.

Her headpiece was a forward arrangement of net petals sparkling with pearls and iridescent flowerlets controlling her floor length veil of maline, in the apricot hue. She carried a cascade of peach glamelias and gold mums.

Identically gowned with the maid of honor were the bridesmaids, Miss Connie Grund, cousin of the bride from Homewood; Miss Joyce Surges and Miss Shirley

MR. AND MRS. VERNON D. OPP

Erickson, both of Joliet.

The attendants wore gold necklaces that were a gift of the bride.

Donald Grund, uncle of the bride served as best man and ushers were L. Grund, Jr., also an uncle of the bride, from Downers Grove, and William Batson.

275 guests attended a Dinner Reception held at 7 o'clock that evening at the Calumet Country club in Homewood. Mrs. Joyce Gougar, cut and served the wedding cake and Mr. and Mrs. David Biesack of New Lenox had charge of the guest book and gift table.

For her daughters marriage, Mrs. Grund chose a 2-piece shell pink silk dress with white accessories and a corsage of white cymbidium orchids. The bridegrooms mother Mrs. Opp, donned a 2 piece dress of light blue shantung with white accessories and wore a corsage of white cymbidium orchids.

For her wedding trip to Canada, the new Mrs. Opp

selected a beige and brown walking suit with brown accessories and wore a corsage of peach glamelias and gold gladioli.

The newlyweds are now residing at Vali-Hi Park, Big Bear Road, Apply Valley, California, Space 21.

The bride graduated from Providence High school in June, and Mr. Opp a graduate of Lincoln Way High school is stationed with the U.S. Air Force in California. He will be discharged after four years of duty, the middle of October, then he will be employed by General Telephone Co. in Palm Springs, California.

Pre-nuptial parties for the bride were given by: Miss Mary Gorki, Miss Shirley Erickson, Miss Connie Grund, Miss Joyce Surges, Mrs. Marjorie Mummert, Mrs. Diane Grund, Mrs. Betty Grund, Mrs. Grace Tomany, Miss Cathy Tomany, and Mrs. Marjorie Book.

D K G Adds Three Members

Three new members were installed into the Beta Omega Chapter of the Delta Kappa Gamma Society at a dinner meeting held at Savoia's in Chicago Heights on Oct. 3.

Mrs. Myron Langhorst, chapter president, assisted by chapter members, led the installation ceremony. The

new members are Mrs. E. Thomas C. Jones, Mrs. Elmer Engel, both of Crete, and Mrs. J. Edwards Meers of Park Forest.

A short business meeting followed the installation ceremonies and dinner. Hostesses for the evening were Mrs. Harold Weber and Mrs. Michael Kruck of New Lenox.

The next regular meeting will be held November 7, at Howard Johnson's in Park

Forest, at 7 p.m. Special committee reports on finance and research will be given. A musical program will follow the business meeting.

Observes Birthday

Miss Augusta Peterson of 14640 108th Av., affectionately called "Auntie" by all her friends in Orland, celebrated her 85th birthday on Oct. 1.

On Sunday, September 29, her nieces and nephew, Mrs. Harry Anderson of the same address and Mrs. Robert Moffet of Chicago and David Oberg of Chicago Ridge held a surprise "open house" for her at the 108th Avenue address. Among the sixty-five friends and relatives attending were her sister, Mrs. Albert Rydberg, of Chicago and grand and great grand nieces and nephews. Guests came from Florida, Ohio, Rockford, Carbondale, Chicago and suburbs.

On Tuesday, Oct. 1, at the United Methodist Church

of Orland thirty friends attended a showing of Mr. and Mrs. Anderson's slides

taken on their recent trip to Europe.

Thanks to the first mobile laboratory of its kind, hemophiliacs, or bleeders, can now expect an ample supply of the clotting factor AHF, which their blood lacks and which they so often desperately need.

AHF is an infinitesimal fraction of plasma protein that is so unstable it disappears from blood almost immediately after donation unless it can be extracted immediately and kept frozen until used.

Before the new mobile laboratory, few hospitals were equipped to produce adequate amounts of this life-saving factor.

Most hemophiliacs had to undergo the long, arduous procedure of continuous whole - blood transfusions, sometimes for several days, to replace their tremendous blood loss from even a simple tooth extraction.

"With the new mobile lab which trails our Bloodmobile to the donors, we can process their blood on the spot and extract all the AHF before it is lost," says Dr. Louise Keating, director of the Northern Ohio Red Cross Blood Program, who developed the unit at the suggestion of a hemophiliac's mother.

"We can now do more for the hemophiliac than just keep him free of life-threatening hemorrhage. We can provide him with pure, highly concentrated AHF in such small volume that it can be easily and quickly

Medical MEMO

administered. Most exciting, it shows dramatic clinical results."

The method of extracting AHF from plasma developed by Dr. Judith Pool at Stanford University in 1965, involves separating the solid matter in the donated blood, i.e. the red and white cells and the platelets, from the plasma by centrifuge. Spin-

ning in an ordinary centrifuge would heat the blood and destroy the AHF.

Therefore, a refrigerated centrifuge had to be developed. The fluid plasma is drawn off and immediately frozen with dry ice, causing the tiny fraction of AHF to precipitate.

The American National Red Cross is presently con-

structing mobile units similar to Ohio's laboratory on wheels for use in other Red Cross blood centers.

ISOTOPES ATTACK CANCERS Dr. Irving M. Ariel of the Pack Medical Group in New York City reports that the isotope iodine-131, used for the diagnosis of cancer, also successfully attacks lymphomas.

MEASLES DANGER - Women who have been in contact with rubella (German measles), but do not contract it during their pregnancy, may still bear con-

genitally deaf children, according to Dr. Collin Karmody of the University of Vermont.

SMALL DOSES HELP - When conventional large doses of methotrexate fail to relieve psoriasis patients, small doses four to six times a day seem to work wonders, say researchers at Albany Medical College.

COLOR TV HAZARD - Not only do some color TV sets emit dangerous gamma rays, but workers manufacturing the sets are being seriously affected by the vanadium-containing phosphors used to create intense reds.

Artists know that beautiful design repeats a motif over and over with unity, variety and balance, as in the stained glass windows of the world's great cathedrals.

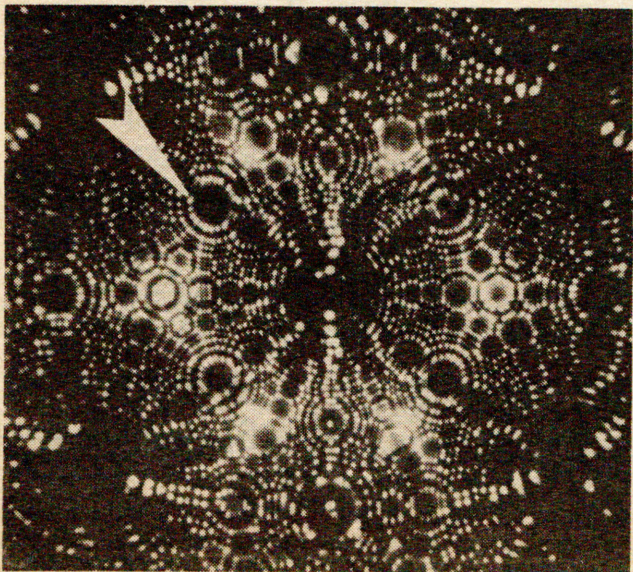

Science now makes it appear that man has been unconsciously imitating nature all along.

This design, strongly reminiscent of a cathedral rose window, is a 2,100,000-times magnification of tungsten atoms. It is made possible by an extremely powerful new microscope that can focus on a single atom.

The lensless instrument, called the atom-probe field ion microscope (FIM), is a major refinement of an earlier model invented by Prof. Erwin Mueller at Pennsylvania State University, in 1956.

It will be useful in metallurgy, surface physics and in the development of the metallic catalysts that play such a major part in the chemical industries.

It might even be applied to the analysis of biological materials.

Protozoa that exercise live longer! Protozoa are microscopic creatures that live in water. Each is made of only one cell that performs all of the animal's life functions.

Scientists have found, at least in some experiments, that if protozoa are exercised their life span can be increased about four times.

How do you get a single-celled organism to exercise? You just shake up its watery home by vibrating the container. Normally, protozoa living a quiet, relaxed existence live four or five days.

But the exercised protozoa - you have to be willing to call shaking them up exercise - could be kept alive for 20 days!

It's a little early to try to draw clear lessons for human beings from these experiments, but the fact that motion and vibration kept cells from storing fat and other materials that make them old is pretty interesting.

There are many advocates of the theory that reasonable amounts of exercise will keep your body healthy longer. People who would like to ignore these theories aren't going to get any support from the lowly protozoa.

Tiny protozoa probably

will continue to provide scientists with information about the mysterious business of aging and exercise.

Do you suppose that if the creatures could talk they might tell us that they don't ordinarily live more than four or five days just because there's nothing to do?

Here's something for you to do. Unscramble the word on each ameba (a kind of protozoa). Write the first letter of each word you discover on the blank ameba. Unscramble those eight letters and you will have a word you would do well to keep in mind.

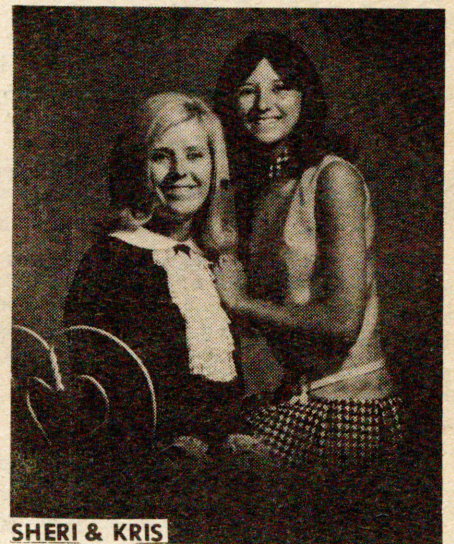

ANSWERS: Experiment, X-ray, Existence, Relaxation, Container, Interesting, Scientists, Eight.

SOLUTION: Exercise.

Open Letter from the HIRSCHS'

Dear friends,

A century ago, funerals went to the extremes of show and display. Accounts of such funerals mention many details that would be offensive to any right-thinking person today.

We are glad to say that public preference now is for simpler tastes. The ornate trappings of decades ago are discarded. Quiet dignity and respect for the dead prevails. This should be gratifying to all.

Respectfully,

Tim Hirsch

Ann Rutledge Building Program Is Nearing End

Mrs. Emil Wille
Telephone 469-5277

The building program at Ann Rutledge School is nearing completion. The third grade pupils have moved into the new classrooms and the kindergarten is now using the former quarters of the third grade.

Miss Stanye Bybee, the kindergarten teacher, attended a workshop for area kindergarten teachers at Reiter School Oct. 7. Achievement tests were given pupils in grades one thru seven at Ann Rutledge between Sept. 30 and Oct. 3. On Oct. 7 and 8 the county school nurse conducted vision tests. Mrs. Evelyn Glynn, reading consultant for the Lincoln-Way area

schoo

l

schools, conducted two reading clinics.

Junior Girl Scout Troop 378 went to Sand Ridge Nature Center Oct. 6. They were met at the Center by the park naturalist who gave them a short history of Sand Ridge.

The girls and their adult companions then hiked the Dogwood Redwing trails. Both trails embrace timber and clearings where early settlers farmed. Redwing trail skirts a large cattail marsh and a small pond where waterfowl was seen.

The girls also toured the nature museum and visited the display of live specimens that are kept at the center, including a wolf, a coyote, a skunk, a sparrow hawk, a crow and some turtles and fish.

Accompanying the girls were Mrs. Lyle Koester, Mr. and Mrs. Eddie Fields, and Edward Kuchan. Mrs. Fields attended a nature workshop for troop leaders at the Hawthorne Ridge Girl Scout Camp.

ORDINANCE NO. 379

An Ordinance Authorizing the Village President of the Village of Orland Park, Cook County, Illinois, to Proclaim the Existence of Civil Emergency, Impose Curfews, and Regulate the Conduct of Certain Businesses During Civil Emergencies

BE IT ORDAINED by the President and Board of Trustees of the Village of Orland Park, Cook County, Illinois, as follows:

Section 1

Definitions:

- (a) A civil emergency is hereby defined to be:
- (1) A riot or unlawful assembly characterized by the use of actual force or violence or any threat to use force if accompanied by immediate power to execute by three or more persons acting together without authority of law; or
- (2) Any natural disaster or manmade calamity, including flood, conflagration, cyclone, tornado, earthquake or explosion within the corporate limits of the Village of Orland Park, Illinois, resulting in the death or injury of persons or the destruction of property to such an extent that extraordinary measures must be taken to protect the public health, safety and welfare.
- (b) Curfew is hereby defined as a prohibition against any person or persons walking, running, loitering, standing or motoring upon any alley, street, highway, public property or vacant premises within the corporate limits of the Village of Orland Park, Illinois, excepting officials of any governmental unit and persons officially designated to duty with reference to said civil emergency.

Section 2

Whenever an emergency as defined in Section 1 of this Ordinance exists, the Village President shall declare the existence thereof by means of a written declaration setting forth the facts which constitute the emergency, which written declaration shall be under oath. Such statement shall be filed with the Village Clerk as soon as practicable.

Section 3

After proclamation of a civil emergency by the Village President, he may order a general curfew applicable to such geographical areas of the Village or to the Village as a whole, as he deems advisable, and applicable during such hours of the day or night as he deems necessary in the interest of the public safety and welfare.

Section 4

After the proclamation of a civil emergency, the Village President of the Village of Orland Park, Illinois, may also in the interest of public safety and welfare make any or all of the following orders:

- (a) Order the closing of all retail liquor stores, including taverns and private clubs or portions thereof wherein the consumption of intoxicating liquor and beer is permitted.
- (b) Order the discontinuance of the sale of alcoholic liquor by any wholesaler or retailer.
- (c) Order the discontinuance of selling, distributing or giving away gasoline or other liquid flammable or combustible products in any container other than a gasoline tank properly affixed to a motor vehicle.
- (d) Order the discontinuance of selling, distributing, dispensing or giving away of any firearms or ammunition of any character whatsoever.
- (e) Issue such other orders as are imminently necessary for the protection of life and property.

Section 5

The proclamation herein authorized shall be effective for a period of forty-eight hours unless sooner terminated by a proclamation of the Village President indicating that the civil emergency no longer exists. The Village President shall have the power to proclaim the existence of a civil emergency at the end of each forty-eight hour period during the time the said civil emergency exists, provided, however, that any such proclamation declaring the existence of a civil emergency shall expire not later than the adjournment of the first regular meeting of the corporate authorities after the civil emergency is proclaimed.

Section 6

Upon issuing the proclamation herein authorized, the Chief of Police shall notify the news media situated within the Village of Orland Park, Illinois, and shall cause three (3) copies of the proclamation declaring the existence of the emergency to be posted at the following places within the Village of Orland Park, Illinois: The Village Hall, the Police Station and the Post Office.

Section 7

Any person violating the provisions of this Ordinance or executive order issued pursuant thereto shall be guilty of an offense against the Village of Orland Park, Illinois, and shall be punishable by a fine not to exceed \$500.00.

Section 8

If any part, article, section, or subdivision of this Ordinance shall be held unconstitutional or invalid for any reason, such holding shall not be construed to invalidate or impair the remainder of this Ordinance, which shall continue in full force and effect notwithstanding such holding.

Section 9

That this Ordinance shall be in effect from and after its passage, approval and publication according to law.
PASSED this 14th day of October, 1968.

Jon R. Anderson
Village Clerk

APPROVED this 14th day of October, 1968.

ORDINANCE NO. 381
An Ordinance Designating A Certain Portion of Union Street and 143rd Place in the Village of Orland Park as One Way Streets and Regulating the Movement of Vehicular Traffic Thereon

Be it ordained by the President and Board of Trustees of the Village of Orland Park, Cook County, Illinois, as follows:

Section 1

A portion of Union Street and 143rd Place designated as One Way Streets. That portion of Union Street which lies between the South line of 143rd Street and the East line of 143rd Place is hereby designated as a one way South and Southwesterly bound street and all vehicular traffic shall be permitted to move over, along and upon said street in a South and Southwesterly bound direction only. That portion of 143rd Place which lies between the Westerly line of Union Street and the Easterly line of Brook Street is hereby designated as a one way West bound street and all vehicular traffic shall be permitted to move over, along and upon said street in a West bound direction only.

Section 2

Signs to be erected. That signs shall be placed at appropriate places on the above - described portion of Union Street, 143rd Place and particularly at the intersection of each street or alley intersecting said portions of said streets, to inform the public that said portion of Union Street and 143rd Place is a one way street and indicating the direction in which vehicular traffic shall move.

Section 3

Penalties. Any person who violates any of the provisions of this ordinance, shall, upon conviction thereof, be fined not less than \$1.00 nor more than \$25.00 for each offense of which such person shall be convicted.

Section 4

Repeal. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed insofar as they conflict herewith.

Section 5

Effective Date. This ordinance shall become and be effective immediately upon its passage, approval and publication in the manner provided by law.

Passed by the President and Board of Trustees of the Village of Orland Park and deposited in my office this 14th day of October, 1968.

Jon R. Anderson

New Great Books Group Is Formed

Palos Heights Public Library announces the first meeting of a new Great Books Discussion Group. Meetings will be the first and third Friday of each month from 8 to 10 p.m. starting Oct. 18. The meetings will be held at the library 123d, west of Harlem, next to the fire house.

The first reading will be the Declaration of Independence. All the first year readings are based on man and his government, a timely subject with national elections next month.

These meetings are free. Read the Declaration of Independence and come to the meeting and air your views. This gives one a chance to read works not read for a long time or perhaps just didn't get around to it.

Arbury Hills Annual Fun Fair Set For Oct. 25

Mrs. Edward Hovi
Telephone 479-5730

The Annual Fun Fair will be held at the school on Friday evening, Oct. 25, from 6:00 to 9:30 p.m. There will be the usual game booths and the country store.

If there is anyone eager and willing to contribute either goods or time, please contact Mrs. Donnis Cullom at 479-9359.

There will be a need for home baked goods, white elephant items, home made handiwork, new items for distribution and especially willing workers.

The winners and those cited for special mention in

My Neighbors

the "My Pop Is Tops" essay contest from second through eighth grades will be given a free hot dog lunch on hot dog day. Our little literary geniuses were: 2nd grade, Linda Searles, special mention, Angela Menzer; 3rd grade, Don Yarbrough, special mention, Laura Munday; 4th grade, Bill Drinane, special mention, Carol Wenk; 5th grade, Debby Adkins, special mention, Rita Cupp; 6th grade, Elise Dornseif, special mention, Tammy Leonard; 7th grade, Robin Brookstra, special mention George Peterson; and 8th grade, Ron Woods, special mention, Steve Smith.

The Summit Hill Parent-Teacher Group held their October meeting at the school last Thursday evening, Oct. 10. Following the business meeting there were two speakers.

Mr. Hodgson, the representative of the Beverly Bank discussed the organizing of "block parents". These block parents would be available by the posting of a special sign in their front window, to any child who might become ill or in-

jured on the walk either to or from school. The idea was voted upon by the members present and approved for Arbury Hills. The block parents idea will be established here.

There was also a talk by Mr. Tom Lewis, the basketball coach from Lincoln-Way High School. His talk centered on the theme that there was a declining interest in organized sports among the high school and college boys in our country. He said that there were fewer and fewer boys coming out to participate in the sports programs in schools.

The membership drive was an almost unanimous success with 182 families signed up from Arbury Hills and surrounding rural area out of 217 families. There was a 100% membership among the teachers and the residents of Tinley Gardens. Congratulations, peoples! Mrs. K. Kabot's third grade room had the largest per-

centage of members.

The Hot Dog Day at the school will be held on Tuesday, Oct. 22.

The First Nighters held their delayed October meeting at the home of Mrs. Lana Mortensen on Walnut Street last Thursday evening.

The winner of the hostesses prize was Mrs. Betty Sipin and the hostess for the November meeting will be Mrs. Peggy Clendening on Beechnut Drive on Thursday evening, Nov. 7, beginning at 8:00.

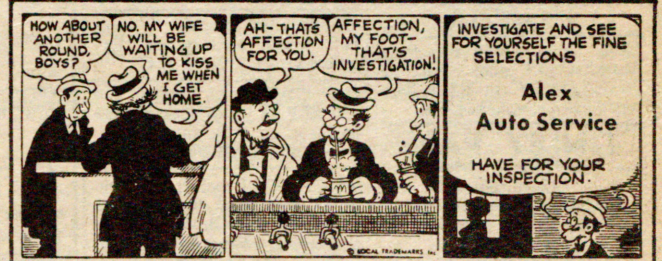

Last call for the annual Arbury Hills Civic Association's Beautification Dance to be held this Saturday evening, Oct. 19 at the V.F.W. Hall in Mokena on South Wolf Road. The festivities will begin with the music being provided again by the Gus Reno Co. bo at 9:00 p.m. Tickets may be obtained from the committee canvassing the area, or by contacting Robert Clendening at 479-5593, or they

may be also obtained at the door at the cost of \$1.75 per person.

The canvasser will also tell you how you may be eligible for the three gifts to be given out at the dance: a week end for two at the Pheasant Run Resort in St. Charles, Illinois; a portable

TV; and a \$25.00 savings bond.

Dances in this area have always been unusually successful and have provided needed funds for worthy organizations. This year's dance will be no exception, so come along and join in the fun time.

If you haven't driven a Ford lately, you're one of the reasons we built this one!

The '69 Ford is the car that's creating all the talk. And when a car packs crowds into our showrooms... and sets sales records this fast... you ought to know the reasons.

The '69 Ford hugs the road with a track as wide as Cadillac... smooths your ride with a longer wheelbase than Chevrolet. This '69 LTD is designed to ride quieter than the LTD that was quieter than Rolls-Royce. The 1969 Ford has more front headroom, legroom and trunk

space than cars costing hundreds of dollars more. With a completely redesigned front passenger compartment so spacious everybody calls it the Front Room. Yet even with a longer wheelbase, the 1969 Ford is easier to handle, easier to park.

This is a new luxury-size Ford at a very popular price. Big. Strong. Quiet. A great road car. It could change the way you think about a lot of cars. Drive one at your Ford Dealer's now.
